David Copperfield By Charles Dickens (1812-1870)

"David Copperfield" or "The Personal History, Adventures, Experience and Observation of David Copperfield the Younger of Blunderstone Rookery" was first published in 1850. Like all except five of his works, it originally appeared in serial form. Many elements within the novel follow events in Dickens' own life, and it is probably the most autobiographical of all of his novels. It is also Dickens' "favorite child." (Summary adapted from Wikipedia) Total running time: 35:41:10.
